

Arkansans to See Eclipse From 3-4 p.m.

LITTLE ROCK (AP) — The eclipse of the sun will be visible throughout Arkansas between 3 and 4 p.m. Saturday, the Weather Bureau in Little Rock reported today.

The area will be about halfway between the extremes of total eclipse and the southern limits of partial eclipse.

The peak of the eclipse will be shortly after 3:30 p.m. when half of the sun will be obscured by the moon.

Total duration of the partial eclipse will be about an hour and ten minutes.

Watching the eclipse, except through special apparatus, can seriously damage the retina of the eye. Photographic negatives and welders' glasses will not help.

WASHINGTON (AP) — For the first time since 1930 a total eclipse of the sun will cut a path of night-in-day shadow across the whole North American continent Saturday.

But unless you have proper equipment, scientists say, the best — and safest — way to watch will be on television. Direct viewing can cause permanent eye damage from infrared rays.

Records of the Naval Observatory here show total eclipses visible in sections of the United States and Canada in 1932, 1945 and 1964. In those instances the cut-off of direct sunlight was incomplete except in limited strips.

This time the shadow moves inland over Alaska and races all the way across to Bar Harbor, Maine.

The spectacular scientific show will be brief, from the start of the eclipse over Japan at dawn to 4:44 p.m. Eastern Standard Time on the Maine coast, about three hours later. And only in a 60-mile wide strip across Alaska, Canada and Maine will the eclipse be total.

Most Americans will only be able to see a partial eclipse. San Franciscans will see 34 per cent, New Yorkers 88.

The eclipse is caused by the moon passing between the sun and the earth, thus blocking the brilliant solar rays.

Besides television, another safe way to watch is to let the sun's image be projected through a hole in a piece of cardboard onto white paper. The viewer keeps his back to the sun.

Scientists will be busy studying the eclipse and its effects.

One group including astronaut Navy Lt. Cmdr. Malcolm Scott Carpenter, plans to trail the eclipse's shadow by jet plane as it races across Canada at 1,800 miles an hour.

At least two artificial earth satellites will play a role in the study.

Pictures of the cloud cover are to be taken from the United States' Tiros VI weather satellite, while radio waves will be scrutinized by the Canadian-built Alouette satellite.

Delays Launching of Satellite

CAPE CANAVERAL, Fla. (AP) — The launching of the Syncom 2 communications satellite has been delayed until Wednesday because of minor technical troubles in the second stage of the Delta booster.

Legislative Extra Session Now Remote

LITTLE ROCK (AP) — Chances of a special legislative session this year now appear remote.

Not one of a score of legislators in Little Rock Thursday for Legislative Council committee meetings raised his hand when asked by newsmen how many felt there would be a special session.

Talk of a special session was rampant in March and April after the State Police Department cut services in an economy move and said a financial crisis was imminent.

Legislative Council Director Marcus Halbrook told the council's Roads and Highways Committee Thursday, however, that the problem apparently has been solved because the state's surplus fund has increased to a point where the State Police can barrow against anticipated revenues to stave off a year-end deficit.

Borrowing has kept the State Police from a deficit for the last several years. The crisis came when it appeared that no surplus money would be available for borrowing.

Most State Police revenues come from the driver's license fee which is collected in January.

Newsman conducted the special session opinion poll after the Roads and Highways Committee deferred action on two proposed studies designed to find new sources of revenue for the State Police.

The studies would have been designed to lead to legislation for consideration at a special session. Cleveland County Rep. Raymond Mays, who suggested a study of the "feasibility of giving the State Police 25 per cent of money collected in fines on State Police arrests, asked that his proposal be deferred because "the special session pressure has eased."

Committee Chairman Marion Crank of Little River County delayed the other, remarking, "It appears that a special session is not imminent at this time."

The second proposal was for a study of the feasibility of placing all State Police revenues in the Highway Fund and supporting the agency from that fund.

30 Days for Tossing Drink

LITTLE ROCK (AP) — Calvin Mattison of Honea Path, S.C., charged with disturbing the peace by throwing liquor in the face of James Dean Walker, was sentenced to 30 days in jail Thursday after he pleaded guilty in Pulaski Circuit Court.

The charge stemmed from a fight in a Little Rock club that preceded the fatal shooting of a North Little Rock policeman.

Walker, of Reno, Nev., is charged with murder in the shooting of the officer.

A companion of his, Russell Freeman Kumpke, has been sentenced to 21 years in prison as an accomplice to Walker in a pistol whipping of Mattison that preceded the death of the policeman.

All Around Town

By The Star Staff

A 16-year-old Rodessa, La., youth, listed as Wayne Scott, was arrested in Shreveport yesterday on a charge of passing hot checks.

Last Monday the same youth passed two hot checks, \$10 each, in local stores, Police Chief Jack Brown said.

Arthur Stech has been appointed exclusive representative for Safe-Buy Real Estate Agency in Hope, it was announced by E. H. Taylor, president, at the Home Office in Little Rock today.

Agency is the only real estate firm setup to operate nationally with home officers in the State of Arkansas.

Mitch LaGrone is attending a banking school at Southern Methodist University in Dallas this week.

Delegates attending the American Legion Auxiliary state meet in El Dorado this week are Mrs. Frank King, unit president.

Meet Demands or Else, Negro Leaders Warn

By AL LANIER

CHARLESTON, S.C. (AP) — A Negro leader sent a telegram to Mayor J. P. Gaillard today saying demonstrations may resume if negotiations to meet integration demands are not resumed before tonight.

The Rev. F. O. Pharr, president of the local chapter of the National Association for Advancement of Colored People, sent the message.

Without clearly rejecting the invitation to re-open talks, the mayor in a statement made clear he felt Pharr's message was too much like a short-notice ultimatum.

The NAACP chapter head, declaring "we will not be deterred by excessive high bail," said Negroes plan a meeting tonight at which they will consider further demonstrations.

Bonds totaling \$600,000 were ordered Thursday for 68 Negroes jailed on riot charges as a result of Tuesday night's melee in which six policemen and a fireman were hurt.

This brought to nearly \$1.4 million the total of bonds ordered for Negro demonstrators here in six weeks.

Magistrate George T. Runey, 71, in ordering the high bonds for the Negroes Thursday, warned Negro leaders they have a responsibility to control youthful members of their movement.

Rail Report Is Handed to Kennedy

WASHINGTON (AP) — President Kennedy today was handed a special fact-finding report on the railway work rules dispute and announced its contents will be made public Saturday.

The report, pinpointing facts and issues in the four-year controversy, will be used by the President in preparing legislation he will recommend to Congress Monday in an attempt to avert a nationwide railroad strike.

The report was prepared by a six-member committee headed by Secretary of Labor W. Willard Wirtz. Committee members represented equally government, management and labor.

The special committee members conferred about 40 minutes with the President when they delivered their report at the White House. Wirtz stayed on for another 40 minutes.

None of the members would comment on the meeting or whether any side attempts had been made at settling the dispute.

Blevins Church of Christ Plans Meet

Blevins Church of Christ will start its Gospel meeting July 22 and it will continue through July 28. Services will be held daily at 7:45 p.m. by Harley Sisson of Jonesboro, La.

Clearing Contract

VICKSBURG, Miss. (AP) — An apparent low bid of \$67,900 has been submitted by Kenyon Dredging Co., Inc. of Port Allen, La. for clearing land and constructing a pilot channel across a neck of land on the Arkansas River near Avenue Landing in Desha County.

Civilians Hear FBI Agent

HOPE CIVILIAN CLUB LAST NIGHT IN A DINNER MEET at Hotel Barlow heard John D. Pope Jr., left in picture, assistant special agent in charge of the Little Rock FBI office, discuss, "Where Are You Headed?" His subject dealt with the growing moral decay of the nation and the growth of the crime rate in the United States.

ALSO PRESENT LAST NIGHT WAS JOHN MARTIN, AT right, formerly of Washington and at one time an instructor in Hope Schools, now with the FBI in Texarkana. Dr. Phillip Manus, president of the Civilians, is in the center.

Hospitality Week Planned

—C of C Photo

The Hope Chamber of Commerce will stage a hospitality week from August 12-16. The plan is to feed slices of Hope watermelon to at least 1200 persons in three days.

Despite the fact watermelon does not have the economic importance of other products such as timber and poultry it is still a glamorous product and Hope is nationally known for its watermelons.

Stands in Little Rock start advertising Hope melons in early June and do so through September even though Hope rarely has melons before July 15. They are still one of our greatest claims to fame, and as president of the Chamber of Commerce I think we should capitalize on this fact, Jones said.

To feed watermelon to 1,200 persons and give packets of information to five to 6,000 will require about \$500.

We propose to raise that \$500 through the local citizenry by contributions to this cause, he said.

With a \$5 contribution you will be given a ticket that may bring you the largest melon grown in the Hope area this year. The lucky person whose name is drawn on August 19 will not only get the largest melon, but may also have it shipped to any point in the U.S.A. If they wish to present it to a club, business firm, or individual.

The business leaders of the city are paying for the Chamber operations with their contributions. It is hoped that private citizens who have any pride in Hope whatsoever will demonstrate it by helping buy the watermelon and serving in one of the hospitality centers for that week.

Go to the chamber office or see Bud Collier, Forest Singleton, or Fred Ellis and buy at least one ticket.

Be one of the 100 Hope Boosters. "It's up to me in '63". After all it really is. Hope can be as good as the public will make it.

\$32 Million Lopped Off Foreign Aid

WASHINGTON (AP) — The Senate Foreign Relations Committee voted tentatively Thursday to lop \$32 million in economic assistance funds from President Kennedy's \$4.5 billion foreign aid bill.

In its first preliminary action on the measure the committee voted 11 to 1, on motion by Chairman J. William Fulbright, D-Ark., to cut administration requests for development grants abroad from \$257 million to \$225 million.

Sen. Wayne Morse, D-Ore., cast the dissenting vote after the committee rejected his earlier motion to make a deeper cut to \$200 million.

The measure was subject to further cuts when the committee met again today to vote on other items in the bill.

The committee approved by voice vote an administration request for an increase from \$1.5 billion to \$2.5 billion in the amount of the administration's authority to guarantee private investments in underdeveloped countries. Sen. Frank J. Lausche, D-Ohio, was defeated 9 to 4 on a motion to hold the ceiling to \$2 billion.

Rejected 10 to 1 was a proposal by Sen. Vance Hartke, D-Ind., to earmark for private enterprise 50 per cent of all development loans under the program.

The measure was subject to further cuts when the committee met again today to vote on other items in the bill.

16 Jailed in Brooklyn Race Riot

NEW YORK (AP) — Police took 17 adult demonstrators and 17 children into custody today on charges of attempting to prevent trucks from entering the Downstate Medical Center.

The center is being built in Brooklyn.

Several of the adults, purposely limp, had to be carried to a patrol wagon while they sang, "We shall not be moved."

Others walked to the police vans. All of the adults, some Negro and some white, were charged with disorderly conduct.

A minister arrested, the Rev. Melvin Williams of the Bethany Methodist Church in Brooklyn, was taken away in a police car.

The approximately 60 demonstrators were seeking increased employment of Negroes and Puerto Ricans in the building trades.

Last Monday, police arrested 42 persons, including 14 Negro clergymen, at the building site.

The Rev. Mr. Williams and the Rev. Robert Knloch, was not arrested, led the demonstration.

Police arrested nine women and six men when they sat across a roadway as a truck attempted to enter the building site.

Later 12 more adults and 17 children were taken into custody when they did the same thing.

A majority of the demonstrators were white.

The Chinese argue that on the ruins left by nuclear war, the survivors — presumably Chinese — would build a much higher civilization than has previously existed.

The Russians say there might be no one left to build this new civilization.

"Generally speaking, why do we need war?"

He asserted that those who favor war as an instrument of policy lack faith in the idea that growing Communist economic power can instill fear among "imperialists."

The talks, which began July 5, have been chalked off as a failure and all that reportedly remains is issuance of a communique ending the conference.

The two sides were reported still sharply divided on wording of the communique.

Optimism Is Prominent in Test Ban Talks

By PRESTON GROVER

MOSCOW (AP) — Premier Khrushchev expressed optimism today about the chances for a Big Three agreement in current negotiations on a limited nuclear test ban and said he would like to see outlawing of all such tests, including those underground.

The Soviet leader reiterated in a Kremlin speech that he wanted an East-West nonaggression pact. He did not insist that it be tied to the treaty being negotiated here to forbid nuclear test blasts in the air, outer space and under water.

This would seem to indicate that Khrushchev might be receptive to a countersuggestion made by President Kennedy through his special envoy, W. Averell Harriman, that the issue be handled through nonaggression declarations.

At the same time, Khrushchev again announced he was ready to permit Western inspection of vital military installations inside the Soviet Union as a safeguard against concentrations for a surprise attack.

This was offered as a device for helping to ease world tensions and was not directly connected with the test ban treaty.

Speaking of the U.S., British and Russian test ban talks in Moscow, Khrushchev said:

"We are under the impression that there is hope now of achieving agreement on the banning of nuclear tests in the atmosphere, cosmic space and under water if, of course, there are no special changes in the positions of the American and British representatives."

"We would like to achieve such an agreement that would include the banning of all tests, including underground tests as well."

"It has been demonstrated by science and technique that the banning of all tests, including underground ones, can be controlled with the help of national technical means of detection which are at the disposal of nations now. But the representatives of the United States and England still insist on the necessity of international inspection. They do not want to give up their aspirations which, in reality, have nothing to do with the cessation of nuclear tests."

"Why and what for is this being done? In order to have the chance to carry out intelligence work."

"The picture is quite clear: Apparently, we will not reach agreement on the ban of underground nuclear tests at the present time. Nevertheless, the Soviet government considers that if an agreement is achieved on a ban of nuclear tests in the atmosphere, cosmic space and under water, there will be an important and useful step forward."

By JOHN M. HIGHTOWER

MOSCOW (AP) — The United States, Britain and the Soviet Union are reported discussing proposals for a pledge of nonaggression in Europe at the same time they are negotiating a treaty to outlaw all nuclear weapon tests except those underground.

Nikita Offers to Permit Limited Fgn. Inspections

MOSCOW (AP) — Premier Khrushchev today offered to permit foreign inspectors to take up stations at Soviet airfields, railroad stations, highways and ports to prevent secret concentrations of troops for sudden attacks.

The Soviet leader also proposed an exchange of inspection teams between troops in West Germany and Soviet troops in East Germany.

He made the proposals for easing East-West tension in a speech at the huge Kremlin Palace in which he expressed optimism over the chances for reaching agreement on a partial nuclear test ban.

Khrushchev said the Soviet Union also was ready to negotiate a reciprocal reduction of the numbers of Soviet and Western troops stationed in divided Germany.

He said such moves would be a great contribution to the easing of international tensions.

The Soviet premier also insisted upon the signing of a peace treaty with Germany that would settle the status of West Berlin.

He did not set a date on this signing.

In a reference to high-level U.S., British and Soviet talks now in progress in Moscow, Khrushchev said he has the impression that a partial test ban can be achieved.

He quickly added that he would also like a ban on underground tests. He claimed national means of detection are sufficient to guarantee such a ban.

Khrushchev said the Americans and British are still insisting that foreign inspection teams be made a part of any ban on underground tests.

They are insisting on this, he said, because they want the "chance for intelligence work."

To Study State Withholding Plan

LITTLE ROCK (AP) — The state Legislative Council instructed its Revenue and Taxation Committee Thursday to resume a study of state income tax withholding systems of other states.

There was some controversy during a discussion of such a law for Arkansas over whether taxpayers should be made to pay two years' taxes upon initiation of the system or be given part of a free year.

Collection would be by the calendar year, but deadline for payment of the total tax would be in the spring.

Rep. Paul Van Dalsen of Perry County said he thought it would be possible to reduce the income tax rate, since collections through a withholding system would be greater.

Rep. David J. Burleson of Washington County said he thought it would be an unusual burden for taxpayers to have to pay for two years at one time.

Khrushchev Bluntly Tells Chinese Critic a Nuclear War Might Ruin Mankind

By REINHOLD G. ENSZ

MOSCOW (AP) — Premier Khrushchev bluntly replied to his Chinese critics today by declaring that a nuclear war might ruin mankind. He said survivors of such a war might "envy the dead."

Khrushchev spoke at a friendship rally in the Kremlin in honor of the visiting Hungarian Communist party chief, Janos Kadar.

As Khrushchev spoke, his subordinates were up in Moscow's Lenin Hills, arguing ideological questions with the top-level Chinese delegation that arrived here two weeks ago today.

The Chinese argue that on the ruins left by nuclear war, the survivors — presumably Chinese — would build a much higher civilization than has previously existed.

The Russians say there might be no one left to build this new civilization.

"Generally speaking, why do we need war?"

He asserted that those who favor war as an instrument of policy lack faith in the idea that growing Communist economic power can instill fear among "imperialists."

The talks, which began July 5, have been chalked off as a failure and all that reportedly remains is issuance of a communique ending the conference.

The two sides were reported still sharply divided on wording of the communique.

Grain Gone But Not Behind the Iron Curtain?

WASHINGTON (AP) — There is no evidence that any of the 24 million bushels of American grain that vanished in Europe found its way behind the Iron Curtain, the Department of Agriculture told Congress today.

Department officials testified before the House Agriculture Committee, which is looking into the diversion of grain destined for Austria under the U.S. barter program.

SOMETHING FOR THE POOL—A little large for an ornamental float, perhaps, but the gent with the old-fashioned palm frond fan is interested principally in comfort—of any era. He's floating on a superbuoyant, new-type polystyrene foam plastic. Less glamorous applications call for its use in docks, diving rafts, and boats.

Says U.S. Troops Had the Cameras

NEW YORK (AP)—Gen. Douglas MacArthur jokingly told today of an occasion in the Korean War when American troops appeared better equipped with cameras than with ammunition.

MacArthur made the comment during a reunion with Arthur Calwell, Australian Labor party leader. The general described him as "an old buddy" of World War II.

As photographers snapped their pictures, MacArthur said: "There was this time in Korea. We were pressed for munitions and ammunition."

"On the eve of one of the battles, I said to the general (Gen. John Walker), 'Johnny, have all the troops ammunition?' and he said, 'There is a scarcity of ammunition. But every man's got a camera.'"

Hispaniola is another name for the island of Haiti.

Mills May Get Next Court Post

LITTLE ROCK (AP)—The Arkansas Democrat quoted Wash-
ington sources today as saying Rep.
Wilbur Mills, D-Ark., is being con-
sidered for the next opening on
the U.S. Supreme Court.

The newspaper said the Ken-
edy Administration was considering
naming Mills to the post to re-
move him as chairman of the tax-
writing House Ways and Means
Committee.

Associate Justice William O.
Douglas is expected to retire from
the court when he becomes 65 on
Oct. 16.

"If you can breath life into the
rumor, I'm for it," the Democrat
quoted Mills as saying. "I've often
wondered what I'd say if it was
offered to me." The newspaper
quoted Mills as saying he had
heard the rumor.

Mills has a relatively good ad-
ministration voting record but he
has opposed the administration to
several revenue proposals includ-
ing the medicare program to pro-
vide medical payments to the
aged through Social Security.

Another Southerner, Sen. John
Stennis, D-Miss., also was rumo-
red to be under consideration for
the Supreme Court job.

Trading Slow

CHICAGO (AP) — Trade was
slow in the grain futures market
today with prices tilting toward
weakness most of the time on
the Board of Trade.

Brokers said the scattered to
moderate selling appeared to be
almost entirely liquidation which
reflected a fairly general with-
drawal of speculation since recent
rainfall had improved the outlook
for corn and soybean crops.

Carlot receipts today were es-
timated at: wheat 159 cars, corn
110, oats 10, rye none, barley 4,
soybeans 6.

Leslie Huddleston Unit 12 Meets
Mrs. Frank King was hostess to the Leslie Huddleston Unit 12 of the American Legion Auxiliary at her home on E. Div. Street Tuesday evening, July 16th.

The meeting was called to order by the president, Mrs. King, and the Chaplain, Mrs. Ben Edmiston, led in prayer.

After the Pledge of Allegiance and the Preamble to the Constitution were repeated in unison, the group sang the National Anthem, accompanied by the piano by Dora Ann King, Junior American Legion Auxiliary member.

Reports were heard and Convention plans were completed. Hope will again have the unique distinction of being represented on the National, State, District and local level at the State Convention being held in El Dorado on July 19-20-21.

It was decided to have the August meeting a family pot-luck and at this meeting the Convention delegates will report.

Mrs. Charles E. Taylor discussed membership and each member present agreed to assist in completing the quota for the new year at as early a date as possible.

The meeting was closed with the Lord's Prayer, led by Mrs. Edmiston and the hostess served a tempting dessert plate with coffee to the fourteen members present.

Golden Age Club Meets

The Golden Age Club held their meeting July 18, with 10 members and one new member, Mrs. Rachel Gano, and one guest, Irvin Gleghorn present.

After the business session, coffee, cold drinks, and cookies were served. The group then played games. Everyone enjoyed the afternoon.

Next meeting will be Thursday, August 1.

Centerville 4-H Club Meets

The meeting of the Centerville 4-H Club was called to order by Ronnie Jones, president, July 11 at the Community Building. The opening song was led by Nancy Langston, the song leader, after which Tommy Bright led the 4-H Club Pledge and Pledge of Allegiance.

The minutes were read and ap-

proved. Carolyn Beck gave a demonstration and Linda Langston gave the devotion.

After the regular program, two panel debates were held; one on "Should Teenage Have Their Driver's License Before 18?" and the other on "Should A Woman Be President?"

After the meeting was adjourned, games were led by Barbara Piercy and refreshments were served by Carolyn Beck and Muriel Faught to 8 members and one leader and 9 visitors.

Tuesday Bridge Club

When Mrs. George Frazier entertained her bridge club Tuesday night, July 16, the two tables of players included one club guest, Mrs. Edsel Nix of Weimer, Texas. Daisies and other summer flowers decorated the home.

Mrs. Lloyd Guerin was the high scorer, and Mrs. Floyd Leverett was second high. The game prize went to Mrs. Crit Stuart, Jr. A dessert and coffee were served.

SS Class Picnic

At the Band Shell in Fair Park on Thursday, July 18, the Mary and Martha Sunday School Class of the First Methodist Church enjoyed a family picnic.

The class teacher, Mrs. Jim Robertson, offered the invocation, and a delicious potluck supper was served. Conversation and good fellowship completed the evening entertainment.

Bright - Jones Exchange Vows

Miss Barbara Bright, daughter of Mr. and Mrs. Ivan Bright, became the bride of Charles Raymond Jones, son of Mr. and Mrs. Herman W. Jones of Camden at 7 p.m. June 29, 1963 in the Rocky Mount Baptist Church.

Rev. Carlton Roberts performed the double ring ceremony before an arch of ivy flanked by two seven branched chandeliers holding white tapers and floor baskets of white gladioli.

Music was provided by Miss Beryl Pickard.

Given in marriage by her father, the bride wore a ballerina length dress of lace over taffeta. The dress was designed with a camisole bodice and bell skirt. A lace over blouse with a high round neckline and above elbow sleeves covered the camisole. Her shoulder length veil of illusion fell from a lace coroner and she wore lace mits. She carried a Bible topped with a white orchid and fleur d' amour.

Miss Mickey Lambert of Little Rock was maid of honor. Her dress was a yellow crepe sheath, with a draped back neckline. She carried a nosegay of yellow gladioli.

Kenneth Daniels of Camden served his brother-in-law as best man and Lloyd Bright, brother of the bride, and Carrol Messer were ushers.

For her daughters wedding, Mrs. Bright chose a beige linen dress with matching accessories. Her flowers were beige cymbidium orchid.

The grooms mother, Mrs. Jones, wore a pink lace sheath dress. Her accessories were white. Her flowers were pink cymbidium orchid.

After the ceremony, a reception was held on the church lawn. An arrangement of white daisies and yellow gladioli were placed on the table. Miss Patricia Bright, sister of the bride, poured the punch and a three-tiered cake was cut and served by Miss Gaye Bachus and Mrs. Annette Daniels, sister of the groom.

After a trip to Galveston and other points of interest, the couple is now at home in Eureka Springs.

Those attending from out of town were: Mrs. Joe Daniels, Sr. of Fordyce, maternal grandmother of the groom, Mr. and Mrs. Allen Bedell of Fordyce; Dr. Roy E. Harrison, Miss Janell Prentiss, and Miss Gaye Bachus all of Little Rock; Mr. and Mrs. Kenny Mann, Dale Lamberson, Miss Kathryn Jones, sister of the groom, and Gerald Jones, brother of the groom, all of Camden.

Mrs. Lee Garland of Crawfords-

Acceptance of ZIP Is Slow, Steady

By JOHN R. STARR

Associated Press Staff Writer

Acceptance by Arkansans of the Post Office Department's ZIP mailing system is slow but steady, an Associated Press check of post offices in key cities shows.

"We're real happy with the system up to now," says Roy Sharpe, postmaster at Little Rock. "Of course it's a long-range program and we'll know better in a year whether it's going to work."

The ZIP system, which adds a mailing code number to the address (and the return address), went into effect over the nation July 1. It is designed to speed the flow mail.

Acceptance is slow, Sharpe explained, because adding the ZIP code number to the mailing lists of large firms is an expensive and time-consuming process.

Individuals have taken to the code readily, Sharpe said, and businesses have indicated a willingness to go along as soon as the mechanical problems can be solved.

Printers over the state report that many firms and individuals ordering new stationery ask that the ZIP number be included. Many others are ordering rubber stamps to put the number on present stationery stocks.

Little Rock cannot expect full success in the program until businesses have a chance to convert their mailing lists, Sharpe said, because 75 per cent of the mail handled by his office is business mail.

The post office is helping by supplying ZIP numbers of customers in other areas to the firms.

Postmaster John Milum of Batesville says rural postal patrons in his area are taking to the ZIP code faster than their city brethren. And he reports that many businessmen have asked for directories listing ZIP numbers over the nation.

The Shirell Printing Co., at Batesville reports that it put ZIP numbers on all but 2,000 of the last 25,000 envelopes it printed.

"There are more patrons using the numbers than I thought would be this soon," says Fayetteville Postmaster Herman Tuck. "I had anticipated it would take more than a month to notice any significant change."

Hot Springs Postmaster Paul Francis reports an excellent reaction from the business community and calls overall results "more than good."

Pine Bluff Postmaster Joe McClellan says a random check of outgoing mail revealed that 20 per cent of it had ZIP numbers.

The El Dorado Post Office reports that acceptance of the system has been better in smaller surrounding communities — such as Smackover and Norphlet — than in El Dorado itself.

Postmaster Mark Craig of Russellville said patrons in his area are co-operating "quite well."

Businessmen are divided in reaction to the new system. As Sharpe noted, some are complaining about the expense of converting mailing lists, but they are interested in the Post Office Department's argument that the code will speed and otherwise improve mail delivery.

Mixed-Up Turtles Go Wrong Way

MIAMI BEACH, Fla. (AP)—A small army of newly hatched, mixed-up loggerhead turtles crawled the wrong way and almost wound up in a barroom.

About 100 of the turtles dug out of the sand where they had hatched. Instead of crawling right into the sea, as baby turtles are supposed to do, they walked away from it.

When patrolman James Kelly saw them Thursday, they were crossing ocean Drive toward the Turf Bar.

Before policemen could point them in the right direction, about 20 were squashed by motorists.

ville, Ind., aunt of the bride, and Mr. and Mrs. Carl D. Ward of Little Rock.

Births

Dr. and Mrs. Robert C. Power of Aschmittenberg, Germany proudly announce the birth of a daughter, Renee Suzette, born June 22, Frankfurt, Germany. Paternal grandparents are Mr. and Mrs. P. Power of Hope and Maternal grandparents are Mrs. Ann Pond of Fayetteville.

Coming and Going

The Rev. and Mrs. Gordon Kling and family of Crystal Lake, Ill., left Wednesday after visiting Mr. and Mrs. Guy Basye.

Dr. and Mrs. Fred Briggs of Davis, Calif., will spend this weekend with his sister, Mrs. W. L. Carter, and other relatives.

Mr. and Mrs. Buford Poe and family of Fort Smith will be the weekend guests of Mr. and Mrs. R. N. Mouser.

Mr. and Mrs. A. H. Kouthling, Vicksburg, Miss., have been visiting Mrs. Mitch Lathrone and children.

MRS. CHARLES WILLIAM DUDLEY

In the presence of their immediate families and a few friends, Miss Rebecca Louise Willis and Charles William Dudley were united in marriage at the Heritage House on Sunday afternoon, July 14. The bride is the daughter of Mr. and Mrs. Elston Willis, and the bridegroom is the son of Mr. and Mrs. Earl Little Dudley, all of Hope.

The Rev. James H. Marcum performed the double-ring ceremony before a mantle decorated with white gladioli and white candles. The pianist, Miss Poloda Glanton, cousin of the bride, played a program of appropriate music, and the couple knelt on a prie dieu at the conclusion of the ceremony.

The bride, given in marriage by her father, wore a dress of white satin. The street-length frock had a matching short-sleeved lace jacket which buttoned in the back. With it the bride wore a pearl necklace and short, white gloves. Her shoulder-length veil fell from a circlet of pearls. A white orchid centered her bridal bouquet.

Miss Joan Willis, sister of the bride, was her maid of honor. She wore a pale blue dress with pleated skirt and matching jacket. Her flowers were pink carnations.

Earl Halbert Dudley served his brother a best man. Dick Ellis Willis, brother of the bride, was

an usher. For her daughter's wedding, Mrs. Willis wore a pink-ace dress with matching accessories. Mrs. Dudley, mother of the groom, wore a pale blue silk shantung with white accessories. Each had a corsage of tiny white orchids.

A reception, also held at the Heritage House, followed the ceremony. The serving table was centered with white stocks, pink carnations, and pink tapers. Mrs. Fred Glanton aunt of the bride served the wedding cake, and Mrs. Earl Halbert Dudley assisted in serving. Miss Cherry Anderson, Miss Janey Voss, Mrs. James H. Burke, and Miss Norma Beth Dodson, Miss Pamela Lance had charge of the bride's book.

Rice bags were distributed by Calvin Willis, brother of the bride and Gay Burke, cousin of the bride.

When the couple left for a wedding trip, the bride chose for her travel ensemble a pale blue suit with white accessories. She pinned the orchid from her bouquet at her shoulder.

Upon their return, Mr. and Mrs. Dudley will make their home at 246D South Marsalis, Dallas 3, Texas. She is employed by the telephone company there, and he is a body man at Reed's Garage, Willis, brother of the bride, was

crime" heads the list of what "not" to do when involved in a suspicious situation. Christine Keeler, England's problem girl is an example.

Tell those in your home town the facts insofar as you're concerned. Despite the similarity of names, people surely realize that you and the other girl are two different people. There is no reason for you to take the blame for her bad judgment, or for your reputation to be ruined.

Stop magnifying the episode. The people who have confidence in you are the ones you really care about, and their confidence will ultimately prevail over the gossip-mongers. Go about your business either ignoring, or laughing at, the false reports. Get back that job in the advertising firm or find another one. Then concentrate on it and forget about the gossip, which time will take care of anyway.

As for your erstwhile boy friend, good riddance! Anyone that glibly or so quick to jump to wrong conclusions doesn't deserve consideration.

My leaflet, "Ten Commandments for Happiness" could be of help. Send a stamped, self-addressed envelope for it.

Dear Helen: My daughter and her husband, an ex-Navy man, have been separated three years. So long as he was in service she received an allotment for the children but now that he has a civilian job she receives none. She works but finds it hard to make ends meet.

When she threatened to bring in the law, her husband said, "Go ahead, I'll skip to another state." He's in his early forties and drinks. I love her and the children and they are constantly on my mind. How can I help them?

—A Mother Who Cares

Dear Mother: Stay out of the picture. Whatever the issue, it should be settled by husband and wife. Legally and morally, your son-in-law is obligated to support his children. The actual fulfillment of this obligation could, and probably should be handled by a lawyer but this is for your daughter to decide. Limit your role to that of understanding mother and loving grandmother.

Dear Helen: I'm an abandoned husband — my wife having deserted — many years ago. She and our children lay claim to my God-given property in Pennsylvania, insisting that I have no rights, even that of employing a lawyer. Yet they employed law-

PCA Loans in Area Hit New Record

More members and more loans are on the books of the Nashville Production Credit Association as the farm loan organization enters its 36th anniversary year.

The fiscal year statement, as of June 30, 1963, showed that the PCA had 1,200 members and had loaned \$8,697,864.77 in the seven counties served by the association. That means an increase of 10 in membership and \$642,000 in loans over the preceding year.

The PCA has its headquarters in Nashville and serves Howard, Hempstead, Nevada, Pike, Sevier and Hot Spring counties.

The number of members in the seven counties includes:

Howard 360, Hempstead 227, Nevada 202, Pike 151, Sevier 189, Clay 27 and Hot Spring 45.

The amount of loans in the seven counties includes:

County Amount
Howard \$2,937,359.37
Hempstead \$1,638,502.47
Nevada \$1,605,371.07
Pike \$1,136,630.39
Sevier \$986,889.46
Clark \$221,026.22
Hot Spring \$170,666.70

Barney Smith of Nashville is the president of the Nashville PCA and Edward Sharp of Nashville is the manager.

The directors of the PCA include President Smith of Nashville, F. M. Renfrow of DeQueen, Bobby Carroll of Murfreesboro, J. O. Luck of Washington and L. J. Bryson of Prescott.

Newfoundland, which includes Labrador, became a province of Canada in 1949.

years to protect their frauds in these matters. Will you answer my problem in your column? — Forsaken

Dear Forsaken: Every human being has a right to counsel, and you are no exception. Consult a lawyer, take your case to court and — BE A MAN!

Have you a problem? Perhaps Helen Worden Erskine can help you. Write her in care of this newspaper, enclosing a stamped, self-addressed envelope.

Inspection of Disaster Areas

LITTLE ROCK (AP)—The state Disaster Committee said Thursday it would send field representatives into four Arkansas counties before deciding whether to declare them drought disaster areas.

Johnson, Newton, Madison and Perry counties have asked that they be declared eligible to allow farmers to cut hay and graze lands retired under federal programs.

Designation of the counties as disaster areas would also enable farmers to purchase feeds at government support prices.

Chairman J. C. Portis of Le-Ranto said the committee wanted to be sure it took the right action.

If the petitions of the counties are approved they will be submitted to the Agriculture Department.

Crime in Arkansas Increases

LITTLE ROCK (AP)—The Federal Bureau of investigation in an annual report released Thursday, said crime in Arkansas increased only 341 cases in 1962 despite a state population increase from 1,797,000 to 1,823,000.

The state had 10,822 crimes in 1962 compared to the nation's 2,048,341. The FBI said Arkansas had about .09 per cent of the nation's population but had only .05 per cent of its major crimes.

There were 144 murders and non-negligent manslaughter 124 rapes, 400 robberies, 878 aggravated assaults, 1,230 auto thefts, 2,919 larcenies of \$50 or more and 5,127 burglaries.

Murders decreased by 19 from the previous year rapes by six, robberies by 46 and aggravated assaults by 62.

Arkansas had a relatively high murder rate with .017 of the murders which occurred in the nation last year. This also ran true for the Southern states, which had 45 per cent of the murders and 31 per cent of the population.

The state's daily crime average was 14 burglaries, eight larcenies, three auto thefts, two aggravated assaults, and one robbery.

Arkansas had one forcible rape every 72 hours and one murder every 60 hours.

DOROTHY DIX

ONE GOOD, TWO BAD

By HELEN WORDEN ERSKINE

Dear Helen: Last year after graduating from high I got a good position as receptionist in a big advertising office. This meant leaving home.

My folks would only let me go on condition that I stay with two girls, the daughters of neighbors, who happened to be working in the city. We'd known each other in school, though they were a class ahead of me. They just had two rooms, far too crowded for three, so I finally persuaded my parents to let me take a small apartment of my own.

In the course of time I acquired a very nice boy friend who drove me home each day after work. Last week I noticed something odd in his manner and asked how come.

He said, "Be calm!" then handed me a clipping from the afternoon newspaper. The two girls from my home town had been arrested in a vice raid on their apartment!

I couldn't believe it and said so for they had been perfect ladies

the brief time I lived with them. My boy friend, with that "Oh, Yeh!" look in his eye, grinned and said nothing. But he didn't call for me next night.

Fearful of being linked to those girls, I quit my job, and went home. Naturally everyone in our town wanted to know what really happened. Boys I knew in school would leer, then hand me the clipping. My folks realize I wasn't involved; others think I was. To make matters worse, the second girl arrested had a name similar to mine. Why should I take the blame for her and have my reputation ruined? How can I straighten out this mess? — Worried and Disillusioned

Dear Worried and Disillusioned: It's far easier to avoid a mess in the first place than to try to clean one up afterward. Your big mistake was in quitting your job and returning home when your two girl friends found themselves in hot water. After all, you were not living with them at the time of the raid, so why consider yourself implicated?

"Leaving the scene of the

New Conference Plans Program

SAN ANTONIO, Tex. (AP)—Details of championship races of the new Southland Conference will be worked out Friday and Saturday when league athletic directors and football coaches meet at Jonesboro, Ark.

The Jonesboro session will follow a meeting at Dallas Monday of presidents of five colleges to approve a constitution and by-laws.

The schools are Abilene Christian College, Arkansas State, Arlington State, Lamar Tech and Trinity of San Antonio.

Legal Notice

Proposed Budget of Expenditures Together with Tax Levy for Fiscal Year Beginning July 1, 1964 to and including June 30, 1965.

The Board of Directors of Guernsey School District No. 20 of Hempstead County, Arkansas, in compliance with the requirements of Act 403 of 1951 and of Amendment 40 to the Constitution of the State of Arkansas, have prepared, approved and hereby make public the proposed budget of expenditures together with the tax rate as follows:

General Control, \$600.00; Instruction, \$45,000.00; Operation of School Buildings, \$5,000.00; Maintenance of School Plant and Equipment, \$3,000.00; Auxiliary Agencies, (including transportation), \$8,100.00; Fixed Charges, \$2,400.00; Capital Outlay, \$2,500.00; Debt Service, \$1,500.00.

To provide for the foregoing proposed budget of expenditures the Board of Directors proposes a tax levy of 37 mills. This tax levy includes the present continuing levy for the retirement of present indebtedness.

Given this 16 day of July, 1963.

Continued From Page One

Moscow test ban conference indicated that Soviet Premier Khrushchev is still interested in a package deal.

As the conference began its fifth day today, Western diplomats reported steady progress toward drafting terms of a treaty banning nuclear weapon explosions in the atmosphere, outer space and under water.

U.S. Undersecretary of State W. Averell Harriman and British Science Minister Lord Hailsham have instructions to negotiate only on the test ban.

However, they came to Moscow prepared to talk about other matters, and each day's conference communiqué has reported that other matters were discussed. It was learned that a nonaggression agreement for Europe has been talked about daily, presumably on Soviet initiative.

So far as can be learned, Foreign Minister Andrei A. Gromyko has not presented the Soviet proposal for an East-West nonaggression treaty as a price for a ban on testing. The Soviet position apparently is flexible.

Harriman, countering the treaty proposal, is understood to have suggested that Khrushchev, President Kennedy and Prime Minister Macmillan make a declaration renouncing the use of threats of force in settling European problems.

Such a declaration would get around the big stumbling block created for the West by the treaty proposal.

Khrushchev, in a speech in East Berlin July 2 proposed a treaty between the 15-nation NATO alliance and the seven-nation Warsaw Pact group.

Not all NATO allies favor such

Would Name Political Study Group

NEWPORT, Ark. (AP)—Benton County Rep. Hardy Croxton advocated today creation of a non-political committee to study and propose new ideas in the fields of economics, government and education.

Croxton said such a committee, "divorced from the popularity sweepstakes," would be composed of outstanding Arkansians capable of looking at both sides of any question.

Croxton, frequently mentioned as a possible gubernatorial candidate in 1964, told a Newport civic club it was "impossible to over-emphasize the void and vacuum or lack of leadership" in Arkansas. He said the proposed committee would help fill this void.

Mentioned as possible members of the committee were W. M. Shepherd, vice president of the Arkansas Power & Light Co.; Charles Murphy Jr., president of

the Murphy Corp., at El Dorado; Herbert Thomas, president of the First Pyramid Life Insurance Co., at Little Rock, and Dr. David Mullins, president of the University of Arkansas.

"In the past few years," Croxton said, "the attention of the General Assembly in a short space of 60 days every two years has had little time for anything except those matters which were vitally pressing and for which there was a keen and intense self-interest lobby. We therefore need something else in the interim between the legislature to stimulate and propose those measures which are in the interests of the people and reform."

Croxton also had a word for politicians: "It is not the place of the politician to pursue those policies designed to perpetuate himself in office, but rather to strike out, to propose and lead."

Croxton said he believed politicians were expendable and that it was a luxury to be one.

"Fortnight" is a contraction of "fourteen nights" and is used in England instead of saying "two weeks."

a treaty since it would in effect formalize the present division of Europe. The West German government is strongly opposed also because of the implied recognition it would give East Germany, a member of the Warsaw Pact.

The German view was reaffirmed Thursday night in Bonn by Heinrich Krone, a close associate of Chancellor Konrad Adenauer and a member of his government.

"The giving of nonaggression pledges," said Krone, "would come suspiciously close to being a recognition of the area of Soviet domination. In this Khrushchev would attain a goal which he has up to now vainly sought to reach through a peace treaty."

We wish to express our sincere thanks and appreciation shown by Drs. Holt and Wright and staff of Memorial hospital, Hope Nursing Home, Hope Brick Works' employees and friends during the illness and death of our loved one, Sampson Coleman. Your kindness will never be forgotten.

The Coleman & Watson family

Podres Rated Key to Success of Dodgers

By JOE REICHLER
Associated Press Sports Writer

It is generally acknowledged that Sandy Koufax has been consistently sensational. Don Drysdale has been sporadically spectacular and Ron Perranoski has been absolutely superb.

But the key pitcher in the Los Angeles Dodgers' quest for their first National League pennant since 1959 is southpaw Johnny Podres, the elder statesman of the staff.

The author of this sage observation is no less an authority than Alvin Dark, manager of San Francisco's defending champion Giants who today found themselves looking up at the run-away Dodgers from a fourth-place position eight full games below.

It happened during the All-Star break. The Giants were then in second place, just three games behind the Dodgers.

"The National League race will go right down to the wire again unless Podres stays hot," Dark commented. "But if he keeps on pitching like he has lately it will be awfully tough to catch them."

In the past eight days, Podres has added three victories extending his winning streak to five in a row for an over-all 9-6 record.

His performance Thursday night in the Dodgers' 10-5 triumph over Pittsburgh was not as impeccable as were his other victories during the streak. But he allowed only one run until Roberto Clemente tagged him for a two-run homer in the seventh inning.

By that time the Dodgers had built up a 10-3 lead and virtually were assured of protecting their 6½-game margin over the runner-up Chicago Cubs, who earlier had beaten the Milwaukee Braves 3-2.

Cincinnati defeated St. Louis 6-3 to drop the third-place Cardinals a game behind the Cubs. San Francisco clung to its one-game edge over the fifth-place Reds by coming from behind to nip the New York Mets 6-5 and Philadelphia trounced Houston 5-1.

There were only three scheduled games in the American League. Minnesota whipped the league-leading New York Yankees 9-3. Boston beat Kansas City 10-6 and Baltimore outlasted Detroit 8-6 in 11 innings.

Maury Wills, back in his Most Valuable Player form of last year, drove in four runs with a single and double. The Dodgers hammered loser Earl Francis and four relievers for 14 hits but actually it was five unearned runs in a big sixth inning that proved to be the difference.

Home Runs Fatal to Travelers

COLUMBUS, Ohio (AP) — The Columbus Jets blasted five home runs off the Arkansas Travelers for a 10-9 victory in an International League baseball game Thursday night at Columbus.

The Jets, with Larry Elliot doing most of the offensive damage, bounced back from a 9-6 deficit in the eighth after blowing a 6-1 lead earlier in the game.

In other league action Atlanta whipped Buffalo 4-1 in an afternoon game. But was nicked 5-4 in the nightcap; Indianapolis trounced Jacksonville 6-2, Toronto downed Rochester 5-2 and Richmond beat Syracuse 4-1.

Elliot homered for three runs in the third and brought in three more in the eighth. Elmo Plaskett, Frank Herrera and Gene Alley also collected four-basers for the Jets.

Mickey Harrington homered in the fourth and Wayne Graham in the fifth for Arkansas.

Arkansas 100 121 031—9 11 1
Columbus 105 001 03x—10 13 5

Brown, Oliver (3), Lock (7), Hamilton (8) and Kenders, Lipski (9); Lines, Spencer (7) Priddy (8) and McFarlane.

Home runs—Arkansas: Harrington (2), Graham (2), Columbus: Elliot (4 and 15), Plaskett (4), Herrera (10), Alley (10).

W—Priddy 4-1. L — Hamilton (2-4).

Junior Legion Baseball Team

Pictured above are Hope's American Legion Baseball players. Front, L to R: "Jabo" Horton, Jerry Burnett, Mutt Wassell, Buddy Jordan, Back, L to R: Paul Henley, Earl Ray Murphy, Richard McDowell, Carl McMurtrey, Jackie Russell and Larry Thrash. Not pictured, Gary Mayfield. Team members are wearing the new uniforms recently purchased for them by the following local merchants: Dean's Truck Stop, Moore Bros. Mkt., Cox Bros. Foundry, Joe's City Bakery, Ralph Montgomery Mkt., Hope Chapter FFA, Roy Anderson Ins., Young Chevrolet, The Trading Post, Gunter Lbr. Co., Hope Hdwe. Co., Perry's Truck Stop, Tol-E-Tex Oil Co., Crescent Drug and Martin's Shoe Store.

American Legion Baseball is the final step in the City's extensive Baseball program, being designed for Boys 15 through 18 years of age. Unlike all other teams in the Southwest district, all team members are local boys that have come up through the local program. There are no "imports." Importing is legal in Jr. Legion Baseball, but is not fair to local youngsters.

This team is sponsored by the Citizens National Bank and the Hope Rotary Club, who contribute money each year to purchase bats, balls and miscellaneous equipment. The team would not exist were it not for these sponsors. On uniform years, uniforms are

bought by local merchants as previously mentioned. Since bats and balls alone cost \$250 per year for this group, it is impossible to put aside funds for the purchase of uniforms. The players and coaches pay their own expenses on trips away from home.

The Legion team has given local fans some thrilling moments this season, having played some very close games with good baseball clubs.

The team is coached by Troy Buck, and players and coach alike express their appreciation to the merchants and sponsors who make this team possible.

U.S. Track Team Set for the Russians

By JIM BECKER

MOSCOW (AP) — With their

bridges across the Moscow River burned behind them, the American track and field team advances on giant Lenin Stadium Saturday and Sunday aiming for its greatest victory in the series against the Soviet squad.

The coach, Payton Jordan of Stanford, and the athletes themselves, have systematically demolished any excuses they might need after the meet.

"No injuries, no ailments," said Jordan. "We are ready to roll. And this team is so powerful it scares me sometimes."

The athletes are oozing confidence. Broad jumper Ralph Boston is an example. The Tennessee State long leaper flatly predicts that both he and Darrell Horn of Pilot Rock, Ore., will trim the Soviet world record holder Igor Terovanesyan.

Jim Beatty, the Los Angeles distance star who reinjured his right leg Wednesday and feared he couldn't run, appears ready in the 1,500.

"I didn't come all this way to watch," he said. "Officially the meets are segregated by sexes. The American men have always won, as have the Soviet girls."

Last year, at Palo Alto, the men's score was 128-107—highest U.S. point total to date—and the women's 66-41, with the Soviets ahead.

Results in Doctor's League Play

By RALPH ROUNTON

Last night in Doctor's League baseball play the White Sox took the Dodgers 14-7 with a 7-run rally in the third. Tommy Frazier's 4-hitters was the big factor in the Giants' 8-5 victory over the Yanks.

Starting next week the League will play Tuesday and Fridays. Tuesday the White Sox play the Dodgers and the Giants go against the Red Sox while the Braves meet the Yanks.

Home Rocket Fatal to Boy

NEW YORK (AP) — Edward Sacco Jr., 13, was making a rocket in the basement of his home in Queens.

He and a friend opened a carbon dioxide cylinder and packed it full of kitchen match heads Thursday. They had to make a hole for a fuse.

Edward put a nail to the cylinder and started pounding. After half a dozen blows the cylinder exploded.

He was fatally injured.

Going to Germany

LITTLE ROCK (AP) — Maj. Edward T. Williams, executive officer of the Little Rock District of Army Engineers, will be sent to the Heidelberg, Germany, Army Post as assistant post engineer. He has been at the Little Rock District since June 1961.

Nashville Peach Festival

NASHVILLE WILL CELEBRATE THE ANNUAL PEACH harvest for the 27th time with a Jaycee-sponsored festival on Saturday, July 27.

MISS DONNA VAUGHN, RIGHT, 17-YEAR-OLD NASHVILLE brunette, will reign as Queen Elberta 1963 and her princess escort is Miss Mary Chaney, Dierks, left. The program includes a horse show at 9 a.m., Little Queen contest at 10 a.m., baseball game at 11 a.m.; 2 p.m. Parade, 3 p.m. Air Show and street dance that night.

have her, why should he?"

Knowing something of his quick temper, his mother gasped, "Oh, Joe! Please—"

"It's not fair, I've never even had a chance to make her care for me—" He stormed toward the door.

Terror stricken, she was calling, "Joe! Joe!" when he barreled his way out.

Joseph's mother waited for her son to return. Had he meant what he said? She knew his temper was unreasonable at times.

The seconds hesitated, the minute moved lingeringly, and the hours crawled as Joseph's mother waited in her room, alone. Then . . . the creak of a board on the porch and instantly she was at the door, heart pounding.

A key was inserted in the lock. Joe entered. His mother flung her arms around his neck. "You—you didn't do it," she half-laughed, half-cried.

"Do what?" he asked, absently. "You—you didn't drive the three of you into the river—?"

"Oh, that! No. Well, you see, the old man surprised Miss Marion today by giving her a new car. It was standing in front of the house when I got there. You never saw a sweeter job between here and Detroit. Runs like a top. You can handle her with your little finger. And what lines!"

"But Miss Marion—"

"Well, Miss Marion and the fashion plate got in, and when we came to the bridge I got to thinking of that beautiful car jayling down there all smashed, whitewall tires ripped, differential busted and crankshaft bent, and—oh, gosh, I just couldn't do it!"

"And Mr. Edwards and Miss Marion?" his mother inquired eagerly.

"Them?" He made a weary gesture with one hand. "They got married by a justice of the peace. Gee is 'she' a wower!"

"Who? Miss Marion?"

"No, the new car," he said dreamily.

Twins in Rout of Yankees Behind Dailey

By JIM HACKLEMAN

Associated Press Sports Writer

Dick Radatz is a huge bruiser who overpowers the batters with his speed and strength.

Bill Dailey is a stringbean type who deceives the batters with his sneaky sidarm deliveries.

And Stu Miller is a slender veteran who tantalizes the batters with some of the slowest pitches ever seen.

"They don't look alike and they don't work alike, but they rate alike—in the upper echelon of American League relief pitchers. Each gave another strong performance Thursday in victories for Boston, Minnesota and Baltimore.

Radatz ran his record to a remarkable 11-1 with two scoreless innings as the Red Sox thumped the Kansas City Athletics 10-6. Dailey held New York hitless over the last three innings in the Twins' 9-3 rout of the front-running Yankees. And Miller won at Detroit, 8-6, on Joe Gaines' 11th-inning pinch double in the only other game on the league schedule.

In National League action Los Angeles' first-place Dodgers defeated Pittsburgh 10-5; the Chicago Cubs nipped Milwaukee 3-2; Cincinnati beat St. Louis 6-3; San Francisco took the New York Mets 6-5; and Philadelphia beat Houston 5-1.
